

Occupational First Aid Course

Occupational First Aid Course (OFAC) is conducted in both English and Mandarin. OFAC is a 25-hour course covering a myriad of first aid topics, from treating minor bleeding to emergency procedures such as Cardiopulmonary Resuscitation (CPR) and operating the Automated External Defibrillator (AED). Treatment techniques are taught through theory lessons, practical sessions, and case studies.

Eligibility for Enrolment

Participant must attain at least Secondary Two education otherwise would be a level 5 in Employability Skills System (ESS) Workplace Literacy and Numeracy.

Certification Validity

Upon successful completion of the course, participants will be issued with a credit card sized certificate which is valid for 2 years.

Target Audience

This course is opened to individual with interest in first aid who is voluntary or complying to requirements. The individual must be physically fit and able to render emergency help to another individual.

Training Outcomes

Upon passing the course, participants will be qualified as first aiders to:

- manage injuries like bleeding, burns and fractures
- manage conditions like choking, fainting etc
- perform CPR and operate the AED
